FINANCIAL STEWARDSHIP

Who we are

The Financial Stewardship Council is responsible for the management of the financial affairs of the church including raising, handling and dispersal of funds for conducting the Mission of the Church.

What we do

We manage current finances and coordinate the financial aspects of program planning to meet future needs. Our activities include: bookkeeping, managing donation envelopes, counting Sunday collection, special capital fundraising.

What's in it for you?

- Students interested in accounting can gain skills and discover if finances is something they would like to do.
- Students can meet people who can give them guidance (a mentor)
- Experience personal growth and learning
- Create employment skills
- Be involved in new projects
