

Volunteer at Fairlawn with
MINISTRY AND PERSONNEL COMMITTEE

Who we are

We are one of the mandated Committees for every congregation in the United Church of Canada.

What we do

Members of the Ministry and Personnel Committee

- support the staff
- facilitate communication and relations among staff members and between staff and councils, committees and members of the congregation
- promote the setting of objectives by staff in light of the objectives set by Executive Council and the other councils and committees.
- review staff members' performances with them in light of their objectives and the objectives of the councils and committees.

Time commitment

We meet once per month between September and June, usually on the 2nd Tuesday of the month between 7:30 and 9:00 pm. Members also serve as a liaison to one or more staff members of FAUC. This means that they talk with the staff member(s) between meetings, in person or over the phone, to see if the staff have any questions or concerns. Other members represent M and P on other committees and on Executive Council
